Dear Sir.

Sub: Request for acceptance of the project proposal on **“Federated Learning for Collaborative battery Degradation Prediction and Charging Optimization in EV Fleets”**-
Reg.

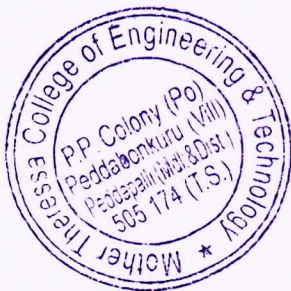

It is hereby informed that our company is having requirement of expertise for project development with good technical knowledge. This proposed project has potential in the marketplace. We are hoping for the best possible support from you on the project titled below:

Project title: “Federated Learning for Collaborative battery Degradation Prediction and Charging Optimization in EV Fleets” We hope that you will consider our request and allocate suitable experienced faculty with the concerned domain to complete the project on time.

Please send us confirmation for carrying out the project.

Best Regards.

Yours Sincerely
Shri Technologies

Dear Sir.

Sub: Acceptance of the proposed project with title **“Federated Learning for Collaborative battery Degradation Prediction and Charging Optimization in EV Fleets”**
Reg

On behalf of Mother Theresa College of Engineering & Technology. I am pleased to inform you that the proposed project is accepted for solving your problem through the team of our faculty.

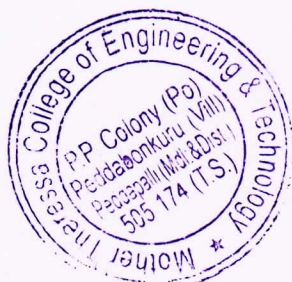

Project title: “Federated Learning for Collaborative battery Degradation Prediction and Charging Optimization in EV Fleets” We feel that your proposal of problem statement can be taken up with our experienced faculty members. The following faculty member has been deployed as Principal Investigator for the Project:

Principle Investigator: Mr. K.Sadanandham

We believe that this proposal can be completed within the desired duration as mentioned by you. Hence, we wish to accept your proposal.
