ONE DAY WORKSHOP
ON

Entrepreneurship Career Development

RESOURCE PERSON : DR.B.ANAND

DATE :18/08/2018

About the Institution:

Mother Theresa College of Engineering & Technology (MTCET) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddapalli Telangana State, India. MTCET has emerged as a pioneer venture in the field of Technological Education, one of the most well-organised institutions in Telangana. District. Aesthetically built buildings, well-furnished lecture halls, library, workshop, computer labs, Internet facility, Seminar Hall, laboratories and spacious playground, indoor and outdoor sports facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTCET has proven to be a turning point in the lives of many students, the place where many success stories begin.

About the Workshop:

Their ventures exemplify a fusion of creativity and strategic insight, propelling the creation of noteworthy solutions. This report illuminates the dynamic landscape of youthful entrepreneurship, emphasizing its pivotal role in shaping industries through inventive initiatives and recognized contributions.

FEEDBACK

The Entrepreneurship Career Development program was a transformative experience, offering valuable insights into the dynamic world of entrepreneurship. Dr. B. Anand, the resource person from the School of Management Studies, Hyderabad, brought immense expertise and practical knowledge, making the seminar highly enriching. Participants gained a deeper understanding of entrepreneurial concepts, strategies, and career development opportunities. The event fostered active engagement, encouraging fruitful discussions among faculty and students. The initiative taken by MTCET's EDC Cell is laudable, contributing significantly to the professional growth of attendees. Overall, the program successfully inspired and equipped individuals for a successful entrepreneurial journey and career development.

ABOUT INSTITUTE:

Trinity College of Engineering & Technology, Karimnagar has been structured to take head on the changing trends of technology. The idea of setting up the college emerged when no other college could cater to the needs of a student in his/her endeavor to acquire wholesome education. The very strength of Trinity lies in its principles of providing the right learning environment for the student who does not have to compromise throughout the learning process of becoming global citizen. Over the years since it was established, there has been dynamic progress at Trinity in all academic and research activities, and a parallel improvement in facilities and infrastructure, to keep it on par with the best institutions in India.

The Major Objectives of the Entrepreneurship are:

The main objective of the Programme is encourage potential Entrepreneurs to start this own business to measure differences in Entrepreneur attitudes among economics to highlight the positive impact Entrepreneur have in term of information.

Topic covered:

- Increase the knowledge and skill of existing Entrepreneurs.
- Promotion of collaboration Entrepreneurship.
- Connection of existing Entrepreneur with government agency.

FEEDBACK

The announcement of the Global Entrepreneurship Awareness Programme on 10th October 2018 is met with enthusiasm. This event, dedicated to fostering entrepreneurial awareness and insights, showcases MTCET's commitment to nurturing an entrepreneurial spirit among faculty and students. The inclusion of distinguished speakers sharing their expertise and experiences adds prestige to the program, promising a rich learning experience. Faculty and students are strongly encouraged to actively participate, seizing the opportunity to glean valuable insights and contribute to the vibrant entrepreneurial culture within the academic community. The initiative reflects MTCET's dedication to holistic education and aligns with the evolving landscape of global entrepreneurship.

Date: 08/01/2019-09/01/2019

About the Webinar:

A scientific manuscript adheres to a structured format, comprising an introduction that sets the stage, followed by the materials and methods section providing a methodology roadmap, and results detailing the study's outcomes. The discussion, a kin to the story's moral, encapsulates the broader significance, contextualizing the study within existing knowledge.

FEEDBACK

The announcement of the Two Day Talk on "Guidelines on Manuscript Drafting and Publishing" at MTCET is met with excitement. Organized by the Research and Development Department, the session scheduled for 08/01/2019 from 11:00 AM to 1:00 PM in the Seminar Hall is poised to provide valuable insights into manuscript preparation and publishing. This initiative underscores MTCET's commitment to fostering research culture and academic excellence. Faculty and students are encouraged to actively participate, seizing the opportunity to enhance their understanding of the intricacies involved in scholarly manuscript development. The event promises to be a significant contribution to the academic community's knowledge enrichment and research endeavors.

PROGRAMME REPORT

NAME OF THE PROGRAMME : GUIDELINES ON MANUSCRIPT DRAFTING
AND PUBLISHING

DATE : 08/01/2019 – 09/01/2019

RESOURCE PERSON : **P.Prabhakar**
(Trinity College of Engineering and Technology,)

PROGRAMME OBJECTIVE :

A scientific manuscript adheres to a structured format, comprising an introduction that sets the stage, followed by the materials and methods section providing a methodology roadmap, and results detailing the study's outcomes. The discussion, akin to the story's moral, encapsulates the broader significance, contextualizing the study within existing knowledge.

TOPIC COVERED :

Avoid interrogative titles unless they are for some specific reviews. The length of the title should neither be too long nor too short. The title should ideally contain keywords that describe the main contents of the paper.

PROGRAMME OUTCOME :

- To provide participants with a comprehensive understanding of the manuscript drafting process.
- To offer guidance on the structure, style, and organization of scholarly manuscripts.
- To address ethical considerations and best practices in academic publishing.
- To familiarize participants with the manuscript submission and peer review process.
- To empower participants with the skills needed to enhance the visibility and impact of their research through effective publishing.

ABOUT INSTITUTE:

Trinity College of Engineering & Technology, Karimnagar has been structured to take head on the changing trends of technology. The idea of setting up the college emerged when no other college could cater to the needs of a student in his/her endeavor to acquire wholesome education. The very strength of Trinity lies in its principles of providing the right learning environment for the student who does not have to compromise throughout the learning process of becoming global citizen. Over the years since it was established, there has been dynamic progress at Trinity in all academic and research activities, and a parallel improvement in facilities and infrastructure, to keep it on par with the best institutions in India.

About the Workshop

This workshop organizes so that peoples can understand the legal basis of IPR and then various forms were discussed. In this workshop peoples can understand the various patents and its process how to write and filled it.

The Major Objectives of the Programme is:

- Listener will be able to have an idea on patents in engineering and technology.
- They gain knowledge on types of patent, patent rules, various copy rights.

Who can attend?

Students from the Undergraduate, postgraduate, and Faculties of various Institutions.

FEEDBACK

The announcement of the seminar on "IPR Patents & Design Filing Process" at MTCET on 19/01/2019 at 10:00 AM in the Seminar Hall is crucial for faculty and students. The emphasis on Intellectual Property Rights and the filing process adds practical value to participants. The directive for attendance underscores the significance of this event. The coordinated effort by the demonstrates MTCET's commitment to providing valuable insights into patenting and design processes. Faculty and students are urged to actively participate, ensuring a comprehensive understanding of IPR intricacies. The seminar promises to be a valuable contribution to the academic community's knowledge enrichment.

PROGRAMME REPORT

NAME OF THE PROGRAMME : IPR PATENTS & DESIGN FILING PROCESS

DATE : 19/01/2019

PROGRAMME OBJECTIVE :

The main objective of the training program is to increase IP filing of states and thus building a robust IP ecosystem in the states of India.

TOPIC COVERED :

Cultural Diversity, Job Creation, Women Social Entrepreneurship, Government support for women Entrepreneurship

PROGRAMME OUTCOME :

- Improved understanding of the manuscript drafting process and scholarly writing.
- Enhanced skills in structuring content, writing style, and clarity.
- Increased awareness of ethical considerations in academic publishing.
- Familiarity with the manuscript submission and peer review process.
- Empowered participants with strategies to enhance the visibility and impact of their research.

About the Institution:

Mother Theresa College of Engineering & Technology (MTCET) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddapalli Telangana State, India. MTCET has emerged as a pioneer venture in the field of Technological Education, one of the most well-organised institutions in Telangana. District. Aesthetically built buildings, well-furnished lecture halls, library, workshop, computer labs, Internet facility, Seminar Hall, laboratories and spacious playground, indoor and outdoor sports facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTCET has proven to be a turning point in the lives of many students, the place where many success stories begin.

FEEDBACK

The announcement of the One Day Webinar on "Legal Awareness Program On account Of World IPR" at MTCET on 26/04/2019 – 27/04/2019 is a commendable initiative by the Intellectual Property Rights and its Protection division. V.Suresh, the esteemed resource person, adds significant expertise to the event. The emphasis on legal awareness in the realm of Intellectual Property Rights reflects MTCET's commitment to staying informed and fostering understanding. All faculty and students are strongly urged to actively participate, ensuring a comprehensive grasp of the intricate legal aspects. Your presence is vital to the success of this enlightening session, contributing to the academic community's awareness and knowledge enrichment.
