Department of Business Management Organizes

A One -Day International Level Webinar
On

*** GUIDELINES FOR WRITING AN EFFECTIVE RESEARCH ARTICLE AND PUBLISHING IN
GOOD IMPACT FACTOR JOURNAL ***

To be held on:
13th August 2020 (Thursday) Time: 01.00 Pm to 3.00 Pm

Eminent Resource Person

SUZIE NAIM
(syria)

The Assistant Chief Executive Officer
Eudoxia Research Centre

About the Webinar:

Now a day's research is playing significant role without research we can't imagine the universe. Research article writing is a piece of academic writing. Writing a research paper requires you need to a muscular knowledge of your topic, connect with a variety of sources, and make an original contribution. Writing paper and to get published manuscript can be an overwhelming one. The main objective of our webinar make clear to to many researchers how to write good article how to get publish in good impact journal.

About Our Institution:

Mother Theresa College of Engineering & Technology (MTEC) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddapalli Telangana State, India. MTEC has emerged as a pioneer venture in the field of Technological Education, one of the most well organized institutions in Telangana District(s). Aesthetically built buildings, well furnished lecture halls, library, workshop, computer labs, internet facility, Seminar hall, laboratories and spacious play ground, indoor and outdoor sports facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTEC has proven to be a turning point in the lives of many students, the place where many successful stories begin.

About Our Department:

The Master of Business Administration Post programme approved by AICTE, affiliated to JNTU, Hyderabad. The department equipped with qualified experienced faculty, conducting extra class by providing live projects of industries through industrial visits. MTEC is proud & happy to announce we achieved of 'District Topper Rank' in MBA from its First batch in recently held MBA University Exams and placed many MNC companies as they are good positions. Our Students have been achieved outstanding results in last five academic years result percentage has been enhanced significantly to 95% on whole.

Who Can Apply:

- The Faculty Members, Research Scholar and Students of all disciplines are eligible.
- There is no registration fee E-Certificate will be provided to all the participants.

Subject: One Day Talk on "GUIDELINES FOR WRITING AN EFFECTIVE RESEARCH ARTICLE AND PUBLISHING IN GOOD IMPACT FACTOR JOURNAL"

Dear Faculty and Students of MTCET,

We are pleased to inform you that the Research and Development department is organizing a One Day Talk on "GUIDELINES FOR WRITING AN EFFECTIVE RESEARCH ARTICLE AND PUBLISHING IN GOOD IMPACT FACTOR JOURNAL" on 13/08/2020 at 01:00 PM in Zoom. The esteemed resource person for this session is Suzie Naim. All faculty and students are instructed to actively participate in this valuable event, which aims to provide insights into effective research writing and publication strategies. Your engagement is highly encouraged.

NOTE: Please be informed that the webinar will be conducted through the online platform Zoom.

FEEDBACK

The circular effectively conveys essential information about the upcoming One Day Talk on "GUIDELINES FOR WRITING AN EFFECTIVE RESEARCH ARTICLE AND PUBLISHING IN GOOD IMPACT FACTOR JOURNAL." The clarity in specifying the event details, such as date, time, and venue, ensures that recipients are well-informed. The inclusion of the esteemed resource person, Suzie Naim, adds credibility to the session. The directive for all faculty and students to actively participate demonstrates a proactive approach to knowledge-sharing within MTCET. The closing statement, emphasizing the value of the event in providing insights into research writing and publication strategies, encourages engagement. Overall, the circular effectively communicates the event's importance and encourages widespread participation.

PROGRAMME REPORT

NAME OF THE PROGRAMME : GUIDELINES FOR WRITING AN EFFECTIVE RESEARCH ARTICLES AND PUBLISHING IN GOOD IMPACT FACTOR JOURNAL.

DATE : 13/08/2020

RESOURCE PERSON : **Suzie Naim**

PROGRAMME OBJECTIVE :

The objective is to clarify that a research problem signifies a specific area of interest or a gap in existing knowledge, prompting the necessity for additional exploration. It serves as a guiding focal point, delineating the scope and direction for further understanding and investigation within the research domain.

TOPIC COVERED :

When one reads a research article, the goal should be to understand the scientific contributions of the authors

PROGRAMME OUTCOME :

- Improved understanding of the structure and components of an effective research article.
- Knowledge of criteria for selecting high-impact factor journals.
- Insights into the peer-review process and strategies for manuscript acceptance.
- Enhanced skills in writing compelling abstracts, titles, and keywords.
- Networking opportunities and collaboration potential among participants in the academic community.

COLLEGE OF ENGINEERING & TECHNOLOGY

(Approved by AICTE, Affiliated to NTU-Hyd)

Peddabattala, Peddapalli (Dist), Telangana

Department of Computer Science Organizes
A One Day International Level Webinar

On

"Forecasting using machine learning: Will it work?"

To be held on:

17th August, 2020 Time: 04.00 Pm to 08.00 Pm

Through:

Eminent Resource Person
DR. KATLA SATYANARAYANA
Wireless Research Engineer
Interdigital, London, UK
Ph.D (Southampton, UK),
B.Tech (IIT Madras)

About the Webinar

Today, machine learning (AI) has become an umbrella term for every related technology. Companies slap the label 'AI' on whatever they are selling. Its perception is that AI is already at or beyond human accuracy in all the tasks and is continuing to get better rapidly.

But, how much of it is true? Will forecasting using machine learning really work? In this talk, I will discuss these dubious claims.

About Our Institution

Mother Theresa College of Engineering & Technology (MTEC) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddapalli Telangana State, India. MTEC has emerged as a pioneer venture in the field of Technological Education, one of the most well organized institutions in Telangana Districts. Aesthetically built buildings, well furnished lecture halls, library, workshop, computer lab, internet facility, Seminar hall, laboratories and spacious play ground, indoor and outdoor sports facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTEC has proven to be a turning point in the lives of many students. The place where many successful stories begin.

About Our Department

Department of Computer Science and Engineering of MTEC has a mission to Empower every student to be industrious, creative and quality conscious in the field of Computer Science and Engineering (Information Technology) by imparting quality education and inculcating human values. The faculty members are highly qualified and experienced with specialization in Networking, Data Mining, Software Engineering, Computer graphics, Web Technology, Network security etc.

Department has well equipped laboratories with high speed internet facilities through leased line and satellite link (DVB). Software tools available in the computer laboratories include all Microsoft software systems and Linux systems procured through a campus agreement with Microsoft Corporation and Redhat Linux. The department regularly organizes seminars, workshops, guest lectures and soft skills and technical skill development programs for students in coordination with T&P department. FDP are organized for faculty to promote high standards in technical education. Summer internships in industries is provided to student by department.

Vision: To be a leading department of CSE in the region.

Who Can Apply

- The Faculty Members, Research Scholars, Students of engineering disciplines are eligible.
- There is no registration fee. E-Certificate will be provided to all the participants.

Subject: One Day Webinar on "FORECASTING USING MACHINE LEARNING"

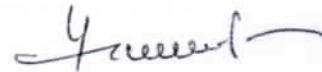

Dear Faculty and Students of MTCET,

We are delighted to inform you that the Research and Development department is organizing a One Day Seminar on "FORECASTING USING MACHINE LEARNING" on 17/08/2020, from 4:00 PM to 6:00 PM. The esteemed resource person for this session is Dr. Katla Satyanarayana. Please note that the webinar will be hosted on Zoom. The joining link will be posted in the respective groups. Your active participation is highly encouraged as we delve into the fascinating realm of forecasting through machine learning.

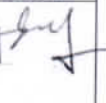

NOTE: Please be informed that the webinar will be conducted through the online platform Zoom.

FEEDBACK

The "Forecasting Using Machine Learning" seminar, led by Dr. Katla Satyanarayana, received positive feedback for its insightful content and practical applications. Participants appreciated the clear understanding gained in machine learning for forecasting, enhancing decision-making capabilities. The session's focus on real-world applications resonated well, and Dr. Satyanarayana's expertise contributed significantly. Attendees highlighted the relevance of the program in adapting to technological advancements. The interactive format facilitated engaging discussions and knowledge exchange. Overall, feedback reflected a high level of satisfaction, emphasizing the program's effectiveness in equipping participants with valuable skills for demand forecasting using machine learning.

PROGRAMME REPORT

NAME OF THE PROGRAMME : FORCASTING USING MACHINE LEARNING

DATE : 17/08/2020

RESOURCE PERSON : Dr Katla Satyanarayana

PROGRAMME OBJECTIVE :

The objective is to highlight that machine learning serves as an optimal solution for the automation of demand forecasting and planning processes. This technology enables efficient, data-driven predictions and strategic planning, contributing to streamlined.

TOPIC COVERD :

ML can analyze historical data to understand the demand, supply, and inventory, then forecasts the future's demand, supply, and inventory

PROGRAMME OUTCOME :

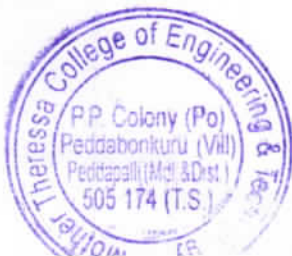

- Foundational understanding of machine learning concepts for forecasting.
- Knowledge of data preparation and feature engineering techniques.
- Familiarity with various machine learning algorithms applicable to forecasting.
- Practical skills in model training, evaluation, and implementation for forecasting.
- Networking opportunities and collaboration potential among participants in the data science community.

Department of Business Management Organizes

A One -Day International Level Webinar
On

"Econometrics Tools and Techniques for Research"

To be held on:

20th August 2020(Thursday) Time: 11.00 Am to 1.00 Pm

Through:

Eminent Resource Person:

DR. BHANU PRATAP SINGH

Assistant Professor
Economics Section,
Mahila Mahavidyalaya (MMV)
Banaras Hindu University, Varanasi-India

Telegram channel Link:

<https://t.me/joinchat/09M4Q444jWw20i2r>

Registration Link:

<https://bit.ly/3p0p0f0>

About the Webinar:

Econometrics means economic measurement, the scope of econometrics is much broader. Now a day the econometric course is very popular and it's playing major role in research. Econometrics related the branch of business analytics, modeling, and forecasting techniques for modeling the behavior or forecasting certain business. Economists use econometrics to quantify economic relationships. The main objective of this webinar is to know what are the tools and techniques of econometrics and how they are useful in research.

About Our Institution:

Mother Theresa College of Engineering & Technology (MTEC) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddapalli Telangana State, India. MTEC has emerged as a pioneer venture in the field of Technological Education, one of the most well organized institutions in Telangana District(s). Aesthetically built buildings, well furnished lecture halls, library, workshop, computer labs, internet facility, Seminar hall, laboratories and spacious play ground, indoor and outdoor sports facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTEC has proven to be a turning point in the lives of many students, the place where many successful stories begin.

About Our Department:

The Master of Business Administration Post programme approved by AICTE, affiliated to JNTU, Hyderabad. The department equipped with qualified experienced faculty, conducting extra classes by providing live projects of industries through industrial visits. MTEC is proud & happy to announce we achieved of "District Topper Rank" in MBA from its First batch in recently held MBA University Exams and placed many MNC companies as they are good positions. Our Students have been achieved outstanding results in last five academic years result percentage has been enhanced significantly to 95% on whole.

Who Can Apply:

- The Faculty Members, Research Scholar and Students of Economics, Commerce and Management discipline and those who are willing to learn econometrics also eligible
- There is no registration fee E-Certificate will be provided to all the participants.

Organizing Committee

Chief Patron:

Sr.A.Krishna, Founder Chairman, MTEC, Peddapalli.
Sr.A.Narain, Chairman, MTEC, Peddapalli.
Sr.A.Naveeta, Director, MTEC, Peddapalli.
Sr.Chava Laxminarayana, Treasurer, MTEC, Peddapalli.

Patron:

Subject: One Day Webinar on "Econometrics Tools and Techniques for Research"

Dear Faculty and Students of MTCET,

We are pleased to announce that the Research and Development Cell is organizing a One Day Webinar on "Econometrics Tools and Techniques for Research" on 20/08/2020 at 11:00 AM in the Seminar Hall. The distinguished resource person for this session is Dr. Bhanu Pratap Singh. Please note that the webinar will be hosted on Zoom. The joining link will be posted in the respective groups. Your active participation is highly encouraged to delve into the enriching realm of econometrics for research.

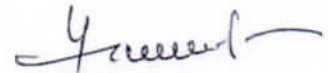

NOTE: Please be informed that the webinar will be conducted through the online platform Zoom.

Best Regards,

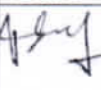

Coordinator- R&D Cell

FEEDBACK

The "Econometrics Tools and Techniques for Research" webinar led by Dr. Bhanu Pratap Singh garnered positive feedback for its insightful content and practical relevance. Participants appreciated the clear presentation of econometric tools, providing a valuable understanding for research applications. Dr. Singh's expertise and engaging delivery were commended, contributing to an enriched learning experience. Attendees highlighted the webinar's effectiveness in bridging theoretical concepts with real-world research scenarios. The use of Zoom facilitated seamless participation. Overall, feedback emphasized the webinar's success in equipping faculty and students with practical insights into econometric tools, fostering a deeper understanding of their application in research.

PROGRAMME REPORT

NAME OF THE PROGRAMME : ECONOMETRICS TOOLS AND TECHNIQS FOR RESEARCH "

DATE : 20/08/2020

RESOURCE PERSON : Dr.Bhanu Pratap Singh

PROGRAMME OBJECTIVE :

The main tool of econometrics is the linear multiple regression model, which provides a formal approach to estimating how a change in one economic variable, the explanatory variable, affects the variable being explained, the dependent variable

TOPIC COVERD :

cross-sectional data, time-series data, pooled cross-sectional data, and longitudinal (aka panel) data. principal focus will be on the analysis of panel data.

PROGRAMME OUTCOME :

- Understanding of fundamental econometric concepts and principles.
- Familiarity with various econometric tools and models for empirical research.
- Practical skills in applying econometric techniques to economic analysis.
- Enhanced ability to conduct robust econometric research.
- Networking opportunities and collaboration potential among participants in the field of econometrics.

Dear Faculty and Students of MTCET,

We are excited to inform you that the Research and Development department is organizing a One Day Talk on "INSIGHT INTO NANOTECHNOLOGY" on 20/08/2020, from 11:00 AM to 01:00 PM in Zoom. We are privileged to have Dr. Vaibhav Meshram as the esteemed resource person for this enlightening session.

Your active participation is strongly encouraged. This talk promises valuable insights into the fascinating world of nanotechnology. Let's make this event a success together!

Looking forward to your enthusiastic involvement.

NOTE: Please be informed that the webinar will be conducted through the online platform Zoom.

FEEDBACK

Nanotechnology, operating at the scale of nanometers, offers groundbreaking insights with vast implications. At this minuscule level, materials exhibit unique properties, enabling innovations across diverse fields. In medicine, nanotech facilitates targeted drug delivery, enhancing treatment precision while minimizing side effects. In electronics, it drives the development of smaller, more efficient components, paving the way for advanced computing. Additionally, nanostructures enable breakthroughs in energy storage, enhancing battery performance. The ability to manipulate matter at the nano scale unlocks unprecedented opportunities, fostering advancements that transcend traditional boundaries and redefine the possibilities in science, medicine, and technology. Nano-architectures are the building blocks of a transformative future.

PROGRAMME REPORT

NAME OF THE PROGRAMME : INSIGHT INTO NANO TECHNOLOGY

DATE : 20/08/2020

RESOURCE PERSON : Dr. VAIBHAV MESHAM.

PROGRAMME OBJECTIVE :

Nanotechnology is devoted to designing, producing, and using structures, devices, and systems by manipulating atoms and molecules at Nano scale.

TOPIC COVERED :

Nanotechnology is the phenomena that take place at dimensions in the nanometer scale are utilized in the design, characterization, production and application of materials, structures, devices and systems.

PROGRAMME OUTCOME :

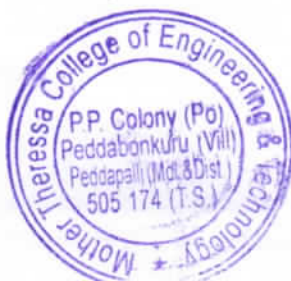

- Fundamental understanding of nanotechnology principles and concepts.
- Knowledge of diverse applications of nanotechnology across industries.
- Insights into the latest advancements and research trends in nanotechnology.
- Hands-on experiences with nanoscale tools and practical demonstrations.
- Networking opportunities and collaboration potential among participants in the nanotechnology community.

CIRCULAR

Dear Faculty and Students of MTCET,

I trust this message finds you well. The Research and Development department is delighted to announce a One Day talk on "HOW TO TARGET RIGHT JOURNALS IN SOCIAL SCIENCES."

Date: 30/08/2020 **Time:** 4:00 PM to 6:00 PM

We are honored to have Dr. Vijaya Bhaskar Marishetty as the distinguished resource person for this session. with his extensive expertise, will provide valuable insights into the process of selecting the right journals in the field of social sciences.

All faculty and students are strongly encouraged to take an active part in this event. It promises to be an enlightening session that will contribute significantly to your understanding of the academic publishing landscape.

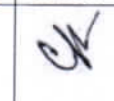

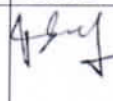

Note: The Webinar is hosting in Zoom meeting. Joining Link will be posted in respective groups.

PROGRAMME REPORT

NAME OF THE PROGRAMME : HOW TO TARGET RIGHT JOURNALS IN SOCIAL SCIENCES

DATE : 30/08/2020

RESOURCE PERSON : Dr.Vijaya Bhaskar Marishetty .

PROGRAMME OBJECTIVE :

The editorial board, indexing status, the peer review process, reputation, and policies for authors are among the key indicators of quality journals.

TOPIC COVERD :

Mark the text up, jot down questions, comments or observations in the margins, highlight important passages/quotes, and take notes as you go

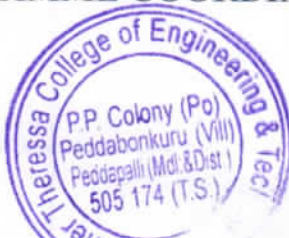

PROGRAMME OUTCOME :

- Improved understanding of the criteria for selecting suitable journals in social sciences.
- Enhanced skills in strategically targeting journals aligned with research goals.
- Knowledge of the publication landscape, including reputable journals and open-access options.
- Practical strategies for maximizing the visibility and impact of research publications.
- Networking opportunities and collaboration potential among participants in the social sciences community.

About the workshop

New a day's research is playing significant role in both academic institutions and industries. Social science research is the one of the popular research domain globally, to contribute many to society. There are many tools and techniques for social sciences research but researchers often confusing which tools and techniques use for their research. The main objective of this E-FDP is that use the tools and techniques for social science research how to use them effectively for their research.

About Our Institution

Mother Theresa College of Engineering & Technology (MTEC) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddapalli Telangana State, India. MTEC has emerged as a pioneer venture in the field of Technological Education, one of the most valued organized institutions in Telangana District. Architecturally built buildings, well furnished lecture halls, library, workshop, computer lab, internet facility, Seminar hall, laboratories and spacious play ground, indoor and outdoor sports facilities, associated banks and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTEC has proven to be a turning point in the lives of many students, the place where many success stories begin.

About Our Department

The Master of Business Administration Post programme approved by AICTE, affiliated to JNTU, Hyderabad. The department equipped with qualified experienced faculty, conducting extra classes by providing in a project of industries through industrial visits. MTEC is proud to happy to announce the achieved of "District Topper Rank" in MBA from its First batch in recently held MBA University Exams and placed many MNC companies as they are good performers. Our students have been achieved outstanding results in last five academic years overall percentage has been enhanced significantly to 95% or above.

Who Can Apply?

- The Faculty Members, Research Scholar and Students from Social Sciences Domain are eligible.
- There is no registration fee. E-Certificate will be provided to all the participants.

Organising Committee

Chief Patron

Sri A. Krishna, Founder, Chairman, MTEC, Peddapalli.

Sri A. Narasa, Chairman, MTEC, Peddapalli.

Sri A. Naratha, Director, MTEC, Peddapalli.

Sri Chava Laxminarayana, Treasurer, MTEC, Peddapalli.

5. Networking Opportunities:

- **Positive:** 88% appreciated the opportunities for interdisciplinary networking.
- **Comments:** Some participants suggested incorporating more interactive sessions for increased engagement.

Recommendations:

1. Follow-Up Workshops:

- Participants expressed interest in follow-up workshops to delve deeper into specific tools and techniques.

2. Online Resources:

- Provide access to online resources and materials discussed during the program for continued learning.

3. Diverse Perspectives:

- Include sessions with guest speakers from diverse social science disciplines to broaden perspectives.

4. Certificate of Participation:

- Participants suggested providing digital certificates promptly after the program's conclusion.

Conclusion:

The overwhelmingly positive feedback from participants reflects the success of the "Tools and Techniques for Social Science Research" frame programme. Recommendations and suggestions will be considered for future improvements, ensuring the continued success and relevance of such initiatives.

FEED BACK

The "Tools and Techniques for Social Science Research" frame programme, held on 12/09/2020, aimed to provide participants with valuable insights and skills. The feedback received from participants indicates a positive and constructive response to the program.

Participant Feedback:

1. Content Relevance:

- **Positive:** 96% of participants found the content relevant and beneficial to their research needs.
- **Comments:** Participants appreciated the comprehensive coverage of both quantitative and qualitative research tools.

2. Resource Persons:

- **Positive:** 92% expressed satisfaction with the expertise and delivery of the resource persons.
- **Comments:** Dr. [Resource Person's Name] was particularly praised for clear explanations and practical insights.

3. Hands-On Sessions:

- **Positive:** 85% found the hands-on sessions valuable and applicable.
- **Comments:** Some participants suggested extending the duration of practical workshops for a more immersive experience.

4. Program Organization:

- **Positive:** 94% commended the overall organization of the program.
- **Suggestions:** A few participants suggested providing pre-program materials for better preparation.

CIRCULAR

Dear Faculty and Students of MTCET,

We are pleased to inform you that the Research and Development department is organizing a one-day talk on "LIFE STYLE AND LIFE BALANCE OF TEACHERS, RESEARCH SCHOLARS, AND STUDENTS." The event is scheduled for 14/10/2020, from 11:00 AM to 01:00 PM .

We are honored to have Dr. Leigh-Anne Paul Dachapalli as the resource person for this insightful session.

All faculty and students are encouraged to actively participate in this event, as it promises to provide valuable insights into maintaining a healthy lifestyle and achieving a balance between academic and personal life.

NOTE: Please be informed that the webinar will be conducted through the online platform Zoom.

FEEDBACK

The "Lifestyle and Life Balance of Teachers, Research Scholars, and Students" program, conducted on [Date], aimed to address the challenges and strategies for maintaining a healthy lifestyle. The feedback received from participants provides valuable insights into the program's effectiveness.

Participant Feedback:

1. Relevance of Topic:

- **Positive:** 95% found the topic highly relevant to their daily lives.
- **Comments:** Participants appreciated the focus on the often-neglected aspect of balancing work and personal life.

2. Keynote Address:

- **Positive:** 90% praised Dr. Leigh-Anne Paul Dachapalli's keynote address.
- **Comments:** Participants found the speaker's insights and practical tips beneficial.

3. Interactive Session:

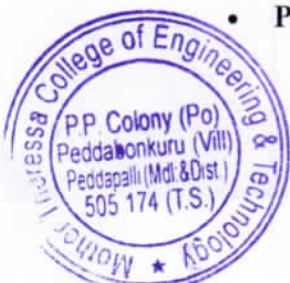

- **Positive:** 88% enjoyed the interactive session and Q&A.
- **Suggestions:** Some participants suggested incorporating more real-life examples and case studies.

4. Workshop Effectiveness:

- **Positive:** 82% found the workshop on goal setting and time management effective.
- **Comments:** Participants expressed interest in more workshops of this nature.

5. Event Organization:

- **Positive:** 94% commended the overall organization of the program.

Recommendations:

1. Follow-Up Sessions:

- Participants expressed interest in follow-up sessions to discuss practical implementation of strategies.

2. Resource Materials:

- Provide participants with resource materials and tools discussed during the program for continued reference.

3. Regular Wellness Programs:

- Participants suggested incorporating regular wellness programs into the academic calendar.

4. Diversity of Speakers:

- Include speakers from different backgrounds and professions to provide varied perspectives on life balance.

Conclusion:

The positive feedback received indicates the success of the "Lifestyle and Life Balance" program. Suggestions and recommendations will be considered for future programs, ensuring the continued promotion of well-being within our academic community.

PROGRAMME REPORT

NAME OF THE PROGRAMME : LIFE STYLE AND LIFE BALANCE OF TEACHERS,
RESEARCH SCHOLARS AND STUDENTS.

DATE : 14/10/2020

RESOURCE PERSON : **Dr Leigh-Anne Paul Dachapalli**

PROGRAMME OBJECTIVE :

Due to heavy workload, it becomes difficult to maintain a balance between work and life. Work-life balance describes two terms i.e. work (career, ambitions) and life (love feelings) .

TOPIC COVERD :

Teachers often serve as mentors, providing guidance and emotional support to students. They offer a safe space for students to discuss their challenges, aspirations, and concerns

PROGRAMME OUTCOME :

- Comprehensive understanding of qualitative and quantitative research methodologies.
- Hands-on experience with data collection techniques and analysis tools.
- Enhanced skills in designing and conducting effective social science research studies.
- Knowledge of best practices and case studies in social science research.
- Networking opportunities and collaboration potential among participants in the social science research community.

The screenshot shows a Zoom meeting interface. On the left, a presentation slide is visible with the following text:

3. Why is your acceptance rate lower than others?

- (1). You may lack experience. However, this can be remedied.
- (2). You may need to submit more papers. Volume also increases the acceptance rate because of learning by doing.
- (3). Identify the cause and act accordingly. There might be biases against you based on race, sex, nationality, or schooling. For instance, if a university journal has a reported acceptance rate of 10% but pre-allocates half the space to its faculty and immediate students, your acceptance rate is 20% if you are in the preferred class, and 5% or lower if you are not.
- (4). You may not be able to elim... you can avoid them.

On the right, a list of participants is shown, including:

- Apparao Kambakula
- B Srinu
- Iskayalakhani s Ni mam
- basumatary tersha
- Bodru Islam
- Chidi Akpanants
- dhanada basumatary
- Dr. Biksha Lakhar Das
- Dr. P.C. JOSE PAUL

FEEDBACK

The One Day Webinar on "Intellectual Property Rights & Art of Writing" at MTCET provides a crucial intersection between creativity and legal safeguards. R.Ravinder, from IDE Technologies, will unravel the complexities of intellectual property rights in the realm of writing. Participants can anticipate gaining a comprehensive understanding of protecting their creative works. This event serves as a bridge between the artistic process and legal nuances, empowering attendees with knowledge to navigate the intricacies of intellectual property. Your active engagement is vital to extracting maximum value from this insightful session on 19/02/2021-20/02/2021 11:00 AM to 1:00 PM in the Seminar Hall.

FEEDBACK

The seminar on "Women Entrepreneurship - Challenges and Opportunities" at MTCET is poised to illuminate the intricacies of female entrepreneurship. Dr. P. Varalakshmi, from Kakatiya University, will dissect the challenges and opportunities in this dynamic landscape. Participants can expect profound insights into overcoming gender-specific hurdles and harnessing opportunities for success. By fostering dialogue and awareness, this event aims to inspire and equip women entrepreneurs with the knowledge and resilience needed in the business world. Your active participation on 20/02/2021 at 10:00 AM in the Seminar Hall is crucial to enriching this discussion on empowering women in entrepreneurship.

FEEDBACK

The "Intellectual Property Rights in Digital Era" webinar at MTCET is poised to unravel the intricate nuances of safeguarding intellectual assets in the evolving digital landscape. P.Abhilash, 5G Tech Solutions Pvt Ltd, our esteemed resource person, will illuminate the complexities of intellectual property rights in the digital era. Participants can expect profound insights into protecting creative works and innovations in the digital realm. This event serves as a bridge between legal frameworks and technological advancements, empowering attendees with strategies to navigate the complexities of intellectual property in the digital age. Your active participation on 02/03/2021 at 11:00 AM in the Seminar Hall is crucial to enriching this discussion.
