## Certificate of Appreciation

Mother Theresa College of Engineering and Technology has exhibited commendable dedication to environmental sustainability through its active participation in the Haritha Haram program on 30/08/2022. The institution's unwavering commitment to tree planting initiatives, ecological awareness campaigns, and sustainable practices deserves profound appreciation. By instilling a sense of environmental responsibility in its students, the college is contributing significantly to the larger goal of ecological conservation. The transformative impact of their engagement in the Haritha Haram program not only enhances the campus environment but also fosters a culture of environmental stewardship among the future engineers and technologists, ensuring a greener and healthier future for all.
