CCTV – Campus Surveillance

In Mother Theresa College of Engineering and Technology Campus Is Fully Equipped with CCTV Camera system. So has to Maintain and monitor for every day more than 32 number of cameras at MTCET campus. A Better Security Performance Which Will Be Very Helpful To Watch the Daily Activities of the Students, Staff, Worker and Publics inside the Campus Regularly.

CCTV stands for closed-circuit television and is commonly known as video surveillance. “Closed-circuit” means broadcasts are usually transmitted to a limited (closed) number of monitors, unlike “regular” TV, which is broadcast to the public at large. CCTV networks are commonly used to detect and deter criminal activities, and record traffic infractions, but they have other uses.

Vision

To provide the security and surveillance solution at our campus students, staff, public people and campus life (buildings and properties life)

Mission

CCTV Mission MTCET is to continue to provide the best security and surveillance service to protect today’s generations and become part of the effort of a safe, secure environment and peaceful future to our Campus.

Goal

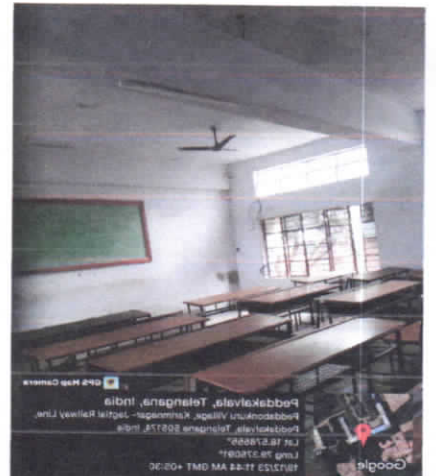

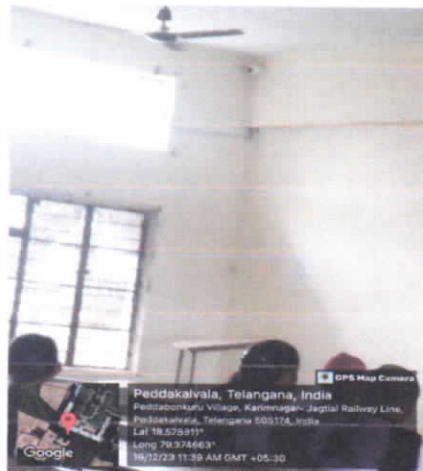

CCTV features included creating a safe environment, protection, legal compliance and support, deterrence, investigation and evidence, all of which were considered at each stratum levels to follow our campus Location.

Our college has fully secured with 40 cameras in campus, corridors ,classes & labs for security and surveillance.

We have 15 Bullet cameras and 35 Dome cameras with night colour vision and it has the 2tb HDD storage gives maximum 15 days backup and these are setup with 2 dvr's one is 32 channels and another one is 8 channel hikvision Dvr.
