PROGRAM REPORT

Title: Bathukamma Festival Celebration: A Vibrant Tapestry of Colors, Tradition, and Community Bonding

Introduction: Mother Theresa College of Engineering and Technology (MTCET) has celebrated "BATHUKAMMA FESTIVAL"

The air is filled with an indescribable joy as the community comes together to celebrate Bathukamma, a unique and enchanting festival that holds deep cultural roots in the heart of Telangana, India. Bathukamma, meaning "Mother Goddess comes alive," is a floral festival celebrated with unparalleled enthusiasm and fervor. The festival, typically observed by the women of the region, marks the arrival of the Sharad Navaratri and concludes on the day of Mahalaya Amavasya.

Rituals and Preparations:

The days leading up to Bathukamma are a whirlwind of activity as households bustle with preparations. Women, donned in vibrant sarees and adorned with traditional jewelry, gather various flowers from the fields. The centerpiece of Bathukamma, a floral arrangement resembling a colorful stack, is meticulously crafted with seasonal flowers, particularly marigolds and chrysanthemums. The arrangement symbolizes both the cultural richness and the fertility of the land.

Ritualistic Songs and Dances:

The rhythmic beats of traditional drums set the stage for lively Bathukamma songs. Women, forming circles around the floral arrangement, sing and dance to the tunes of these folk songs. The lyrics are steeped in tradition and mythology, narrating tales of the goddess and invoking her blessings. The dance is not just a physical expression but a spiritual connection, fostering a sense of unity among the women as they move in synchronized steps.

Bathukamma Beyond Borders:

In recent years, Bathukamma has transcended geographical boundaries. Telugu communities around the world come together to celebrate this festival, creating a global tapestry of colors and

traditions. The diaspora, irrespective of their physical distance from Telangana, keeps the spirit of Bathukamma alive, reinforcing cultural ties and passing down traditions to future generations.

Conclusion:

Bathukamma, with its radiant colors, enchanting floral arrangements, and spirited celebrations, is more than a festival; it's a cultural symphony that resonates through the heart of Telangana. As families gather, flowers bloom, and songs echo, Bathukamma becomes a living testament to the rich cultural heritage and community spirit that define the essence of this vibrant festival. In every petal, in every dance step, Bathukamma embodies the celebration of life, womanhood, and the enduring bond between people.

PROGRAM REPORT

Title: Celebrating Diversity: Ethnic Day

Mother Theresa College of Engineering and Technology (MTCET) has celebrated ethnic day. It's a day designated for all to come in traditional attire from their home state, or specific culture of their choice. Everyone at the institute came dressed in their best ethnic attires. Students, teaching and non-teaching staff participated with great ecstasy. We celebrate Ethnic Day to spread awareness and preserve and save different regions' historical heritage, civilization, ethnology, art, and culture.

Introduction:

Join us in a kaleidoscope of colors and cultures as we proudly present Ethnic Day 2023 a celebration dedicated to the richness of our diverse heritage. Embracing the unique tapestry of traditions, art, and customs from around the world, this event is a collective tribute to the beauty that arises when different cultures unite in harmony.

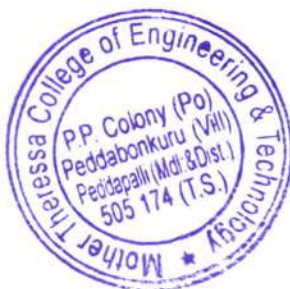

Purpose and Theme:

Ethnic Day is not just an occasion; it's a vibrant testament to the beauty of diversity. This year's theme, "Harmony in Hues," emphasizes the unity that arises when various ethnicities come together, creating a harmonious blend of cultures.

Title: SAKRANTHI CELEBRATIONS

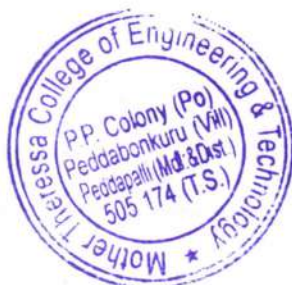

Mother theressa college of Engineering and Technology(MTCET) has celebrated It is basically a harvesting festival or it can be considered as the 'thanksgiving' festival' because this festival is celebrated to thank the Sun God and Lord Indra for helping farmers in getting better-yielding crops. During the festival, people reject old belongings and welcome new stuff.

Sankranti, a vibrant harvest festival celebrated in South India, extends joy and warmth through a myriad of traditions. Families unite to mark the auspicious transition of the sun into the Capricorn zodiac, heralding longer days. Colorful rangoli adorns doorsteps, and homes resonate with laughter and joy. The aroma of traditional sweets like 'tilgul' and 'pongal' fills the air, shared joyously among neighbors. Traditional dance forms like 'kolattam' and 'bhogi mantalu' add rhythmic fervor to the festivities. Kite-flying competitions symbolize the spirit of freedom and high aspirations.

PROGRAM REPORT

Title: "VASANTHA PANCHAMI"

Mother Theresa College Of Engineering and Technology(MTCET) was celebrated saraswathi pooja is a Hindu festival dedicated to Saraswati, the goddess of knowledge, wisdom, music, and art. It is typically celebrated in the spring season, particularly during the Hindu month of Magha, which usually falls in January or February.

Here are some key points about Saraswati Puja:

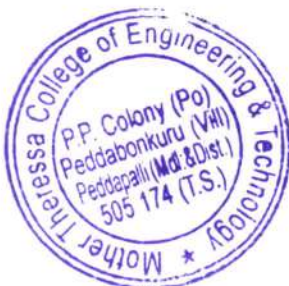

Date: The exact date of Saraswati Puja varies each year as it is based on the Hindu lunar calendar. It is commonly celebrated on the Vasant Panchami day, which is the fifth day of the waxing moon in the month of Magha.

Goddess Saraswati: Saraswati is revered as the goddess of learning, arts, and wisdom. She is often depicted with a white swan, symbolizing knowledge, and playing a veena, representing the arts.

Worship and Rituals: Devotees perform special prayers, pujas, and rituals to seek the blessings of Saraswati. Students often worship their books, instruments, and other tools of learning on this day. Many educational institutions organize Saraswati Puja events.

Saraswati Vandana: Student recite Saraswati Vandana, a prayer dedicated to the goddess, seeking her blessings for wisdom and knowledge.

Education and Arts: Saraswati Puja is especially significant for students, artists, musicians, and those involved in creative pursuits. It is believed that invoking Saraswati's blessings can enhance one's intellectual abilities.

PROGRAM REPORT

Title: MATHEMATICS DAY

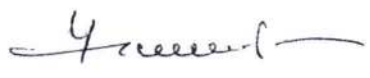

Mathematics Day, celebrated on December 22 in honor of the renowned Indian mathematician Srinivasa Ramanujan, unfolds as a celebration of numerical wonders and intellectual achievements. On this day, academia, students, and enthusiasts immerse themselves in the beauty of mathematical principles that shape our understanding of the universe. Educational institutions organize seminars, workshops, and lectures to promote mathematical literacy. The day serves as a tribute to the contributions of mathematicians globally, fostering a love for numbers and problem-solving. From the elegance of equations to the intricacies of proofs, Mathematics Day encourages exploration and appreciation of the timeless language that underpins the fabric of scientific discovery and innovation.

PROGRAM REPORT

Title: COVID VACCINATION

Amid the challenges posed by the global pandemic, colleges play a pivotal role in the COVID-19 vaccination drive, transforming campuses into vaccination hubs. Collaborating with health authorities, colleges offer convenient and accessible vaccination centers for students and staff. Awareness campaigns and information sessions educate the college community about vaccine safety and efficacy, fostering a sense of responsibility. The vaccination process unfolds seamlessly, with trained medical staff administering doses, ensuring a protected environment. Colleges prioritize the health and well-being of their academic community, contributing to broader public health goals. This collective effort within educational institutions becomes a beacon of hope, promoting immunity, resilience, and a return to normalcy.
