ABOUT THE COLLEGE

Mother Theresa College of Engineering & Technology (MTCE) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddabonkur of Peddapalli district (Telangana). MTCE has emerged as a pioneer venture in the field of Technological Education, one of the most well organized institutions in Telangana District(s). Aesthetically built buildings. Well furnished, lecture halls, library, workshop. Computer labs, Internet facility, conference hall, Seminar hall, laboratories and spacious playground, Indoor and outdoor sports facilities, intramural-extra Curricular facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTCE has proven to be a turning point in the lives of many students, the place where many successes of stories begin.

ABOUT THE DEPARTMENT

The department of Electronics & communication Engineering started right from the inception of the College in the year 1999. The primary objective of the Department has been to impart quality education, Training and research at the undergraduate in various areas of Electronics and Communication Engineering with broad emphasis on design aspects of electronic systems. The department presently offers UG Program B.Tech with an intake of 60.

College of Engineering & Technology
PEDDAPALLI 505 174

ABOUT THE FDP

This FDP is designed to address research advancements in power conversion topologies and applications in the industry and to encourage various zonal professionals/ academicians/ students towards research and for their academic quality improvement too. All the participants in the relevant topics in real time power electronic systems and its applications through theoretical sessions and simulation plus laboratory based experiments and demonstrations. This FDP aims to give scope for future research.

THE OBJECTIVE OF FDP

To provide an opportunity for academia and industry to gain insights into electric vehicle technology, to address the challenges in the efficient design of power converters through advanced controller techniques towards electric propulsions.

LEARNING OUTCOMES

- High Initial Cost
- The upfront cost of purchasing an electric vehicle is relatively higher compared to conventional vehicles.
- Limited Charging Infrastructure:
- In India, the charging infrastructure is still in the early stages of development and is concentrated in major cities.

ABOUT THE COLLEGE

Mother Theresa College of Engineering & Technology (MTIET) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddabonkur of Peddapalli district (Telangana). MTIET has emerged as a pioneer venture in the field of Technological Education, one of the most well organized institutions in Telangana District(s). Aesthetically built buildings, Well furnished, lecture halls, library, workshop, Computer labs, Internet facility, conference hall, Seminar hall, laboratories and spacious playground. Indoor and outdoor sports facilities, intramural-extra Curricular facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTIET has proven to be a turning point in the lives of many students, the place where many successes of stories begin.

ABOUT THE DEPARTMENT

The department of humanities firmly believes in developing interpersonal communication between teachers and students as well as creating an environment that will synergistically link scientific development of the country. It aims to build communication and managerial skills and also developing awareness regarding various issues concerning society thus bringing in an all-encompassing and holistic development of the student.

The department is intend to enrich the engineering students to open up their mind for understanding the human ethical and socio economic problems faced by the country.

ABOUT THE FDP:

The major objective of this FDP is to provide quality training programs to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations. Providing quality training programs to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations. Providing guidance and training to students to develop better learning skills and personality.

THE OBJECTIVE OF FDP:

- Critical Thinking: Become better critical thinkers by learning to identify, clarify and evaluate important ideas and arguments....
- Communication: Improve their ability to communicate effectively using written, oral, and/or visual media....
- Lifelong learning and independent learning skills
- Team work.

ABOUT THE FDP:

The major objective of this FDP is to provide quality training programs to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations. Providing quality training programs to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity To assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations. Providing guidance and training to students to develop better learning skills and personality..

ABOUT THE COLLEGE

Mother Theresa College of Engineering & Technology (MTTEC) was established in the year 1999. It has a well-planned campus with pollution free environment. It is located at Peddabonkur of Peddapalli district (Telangana). MTTEC has emerged as a pioneer venture in the field of Technological Education, one of the most well organized institutions in Telangana District(s). Aesthetically built buildings, Well furnished, lecture halls, library, workshop, Computer labs, Internet facility, conference hall, Seminar hall, laboratories and spacious playground. Indoor and outdoor sports facilities, intramural-extra Curricular facilities, associated hostels and canteen in the campus, offer an ideal environment for pursuit of a professional career. MTTEC has proven to be a turning point in the lives of many students, the place where many successes of stories begin.

ABOUT THE DEPARTMENT

The department of CSE established in 2008 with the approval of AICTE, is set in an open, student friendly atmosphere. The Department of Computer Science and Engineering (CSE) offers B.Tech course in CSE.

The Department has experienced faculty with good publication and well-established laboratories. The Computer science and engineering department of the college works with a motto of "Excellence in Computing Technology" stresses on strong understanding of theoretical concepts along with the practical experience with several challenging assignment and Projects.

A ONE WEEK FACULTY DEVELOPMENT PROGRAM

ON

NETWORK ROUTING AND SWITCHING ESSENTIALS

DATE: 11/12/2017 TO 16/12/2017

Mother Theresa College of Engineering & Technology
PEDDAPALLI-505 174.

ABOUT THE FDP:

This FDP will give hands on coverage of switching and routing essentials using CISCO packet tracker as a tool. Learner is expected to be familiar with the basics of networking.

THE OBJECTIVE OF FDP:

- > Provide the foundation of IP addressing.
- > Enhance knowing of routing and switching.
- > Hand-on training on router and switch configuration.
- > Enhance knowledge of security in networking.

TOPICS COVERED

- > Introduction to packet tracker.
- > Configuring routers and switches.
- > Static dynamic routing.
- > Setting up a static IPV 4 route.

Name of the program: A Non-Teaching Faculty Development Program on Personality Development

Date: 20-01-2023

Details of the program:

Details of resource person

Name	DR.DAMERA AMBICA
Designation	ASSOCIATE PROFESSOR
Organization	MOTHER THERESSA COLLEGE OF ENGINEERING & TECHNOLOGY
Email id	Mtec.86@gmail.com
Contact number	9642058546

FDP OBJECTIVES

To improve soft skills, communicate effectively & grow as a professional. Develop your overall personality and gain confidence in your daily encounters and present yourself assertively.

OUTCOMES

Develop skills to embrace change, handle setbacks, and thrive in dynamic work environments. Build self-confidence, overcome self-doubt, and be able to assert one in professional settings. Improve both verbal and non-verbal communication abilities, active listening, and expressing ideas effectively.
