**Report on A one – Workshop On “Guidelines for Writing an Effective Research Article and Publishing in Good Impact Factor Journal”**

This Workshop was addressed by **Dr. B.RAMANA KUMAR**, Professor in ECE Dept., SCET, Narsapur, West Godavari Dist., who has extensive expertise in research publication and has made significant contributions to his field. The program was attended by faculty members from various departments within our institution.

These sessions covered a wide range of topics related to quality research publication, including:

- Identifying appropriate journals and conferences for publication, with good impact factor journal.
- Enhancing research writing skills, including clarity, structure, and language.
- Ensuring ethical practices and avoiding plagiarism in research publications. Navigating the peer review process and effectively responding to reviewer comments.
- Promoting interdisciplinary research collaborations for enhanced publication opportunities.
- Increasing research visibility and impact through effective dissemination strategies.

Exploring funding opportunities and grants for research publication.

The sessions were highly interactive, allowing participants to engage in discussions, ask questions, and share their experiences and challenges related to research publication.

The feedback from the participants was positive. They expressed their gratitude for the opportunity to attend such a beneficial and informative program. Many participants mentioned that they gained valuable insights into the research publication process and felt more confident in their ability to produce high-quality research papers.
