NAME OF THE PROGRAM: WOMEN'S EQUALITY

PROGRAM REPORT

The program was organized on 26 Aug 2019. The main objective of this program was to create awareness on the importance of **WOMEN'S EQUALITY**.

At the behest of Rep. Bella Abzug (D-NY), in 1971 and passed in 1973, the U.S. Congress designated August 26 as "Women's Equality Day." The date was selected to commemorate the 1920 certification of the 19th Amendment to the Constitution, granting women the right to vote. This was the culmination of a massive, peaceful civil rights movement by women that had its formal beginnings in 1848 at the world's first women's rights convention, in Seneca Falls, New York. The observance of Women's Equality Day not only commemorates the passage of the 19th Amendment, but also calls attention to women's continuing efforts toward full equality. Workplaces, libraries, organizations, and public facilities now participate with Women's Equality Day programs, displays, video showings, or other activities.

One of our faculty explained about the program why this program is important and Today, as we celebrate the anniversary of this hard-won achievement and pay tribute to the trailblazers and suffragists who moved us closer to a more just and prosperous future, we resolve to protect this constitutional right and pledge to continue fighting for equality for women and girls".

Around 63 students attended to this event.
