PROGRAM REPORT

Title: Bathukamma Festival Celebration: A Vibrant Tapestry of Colors, Tradition, and Community Bonding

Introduction: Mother Theresa College of Engineering and Technology (MTCET) has celebrated "BATHUKAMMA FESTIVAL"

The air is filled with an indescribable joy as the community comes together to celebrate Bathukamma, a unique and enchanting festival that holds deep cultural roots in the heart of Telangana, India. Bathukamma, meaning "Mother Goddess comes alive," is a floral festival celebrated with unparalleled enthusiasm and fervor. The festival, typically observed by the women of the region, marks the arrival of the Sharad Navaratri and concludes on the day of Mahalaya Amavasya.

Rituals and Preparations:

The days leading up to Bathukamma are a whirlwind of activity as households bustle with preparations. Women, donned in vibrant sarees and adorned with traditional jewelry, gather various flowers from the fields. The centerpiece of Bathukamma, a floral arrangement resembling a colorful stack, is meticulously crafted with seasonal flowers, particularly marigolds and chrysanthemums. The arrangement symbolizes both the cultural richness and the fertility of the land.

Ritualistic Songs and Dances:

The rhythmic beats of traditional drums set the stage for lively Bathukamma songs. Women, forming circles around the floral arrangement, sing and dance to the tunes of these folk songs. The lyrics are steeped in tradition and mythology, narrating tales of the goddess and invoking her blessings. The dance is not just a physical expression but a spiritual connection, fostering a sense of unity among the women as they move in synchronized steps.

Bathukamma beyond Borders:

In recent years, Bathukamma has transcended geographical boundaries. Telugu communities around the world come together to celebrate this festival, creating a global tapestry of colors and traditions. The diaspora, irrespective of their physical distance from Telangana, keeps the spirit of Bathukamma alive, reinforcing cultural ties and passing down traditions to future generations.

Conclusion:

Bathukamma, with its radiant colors, enchanting floral arrangements, and spirited celebrations, is more than a festival; it's a cultural symphony that resonates through the heart of Telangana. As families gather, flowers bloom, and songs echo, Bathukamma becomes a living testament to the rich cultural heritage and community spirit that define the essence of this vibrant festival. In every petal, in every dance step, Bathukamma embodies the celebration of life, womanhood, and the enduring bond between people.

PROGRAM REPORT

Title: SAKRANTHI CELEBRATIONS

Mother theressa college of Engineering and Technology(MTCET) has celebrated It is basically a harvesting festival or it can be considered as the 'thanksgiving' festival' because this festival is celebrated to thank the Sun God and Lord Indra for helping farmers in getting better-yielding crops. During the festival, people reject old belongings and welcome new stuff.

Sankranti, a vibrant harvest festival celebrated in South India, extends joy and warmth through a myriad of traditions. Families unite to mark the auspicious transition of the sun into the Capricorn zodiac, heralding longer days. Colorful rangoli adorns doorsteps, and homes resonate with laughter and joy. The aroma of traditional sweets like 'tilgul' and 'pongal' fills the air, shared joyously among neighbors.
