PROGRAM REPORT

Title: BATHUKAMMA CELEBRATIONS

Mother Theresa College Of Engineering and Technology (MTCET) have celebrated Bathukamma, a vibrant and culturally rich floral festival celebrated in Telangana, finds a unique extension within college campuses, creating a tapestry of tradition and unity. Students, dressed in traditional attire, come together to partake in the festivities, adorning the campus with colorful flowers arranged in intricate patterns. The rhythmic beat of traditional songs accompanies the creation of Bathukamma, a beautiful flower stack. Women gather in groups, forming circles around the floral arrangements, and engage in synchronized dances, adding a joyous spirit to the event. Colleges organize competitions for the best Bathukamma, promoting creativity and cultural expression among students.

The event extends beyond mere festivities, fostering a sense of community and shared heritage. It serves as a platform for cultural exchange, bringing together students from diverse backgrounds to celebrate the essence of Telangana's cultural identity. Through Bathukamma in colleges, students not only preserve their cultural roots but also create lasting memories of camaraderie and unity, making the campus a vibrant mosaic of tradition and modernity.
