### PROGRAM REPORT

Title: MUDHAPAPPU BATHUKAMMA

Mother Theresa College of Engineering and Technology (MTCET) has celebrated the Mudhapappu Bathukamma, a unique floral festival celebrated in our college, brought together students in a vibrant tapestry of colors and traditions. The campus bloomed with floral arrangements as students gathered to create intricate Bathukammas, vibrant flower stacks symbolizing life and nature's beauty. Mudhapappu, a special offering of soaked lentils, adorned the floral designs, signifying fertility and prosperity. The college resonated with folk music and dance performances, echoing the rich cultural heritage of Telangana. Students actively participated in competitions, showcasing their creativity in flower arrangement and cultural performances. The celebration fostered a deep sense of community and pride in our regional identity, making Mudhapappu Bathukamma an annual spectacle of unity and cultural exchange within the college.

### PROGRAM REPORT

Title: MAKARA SANKRANTI

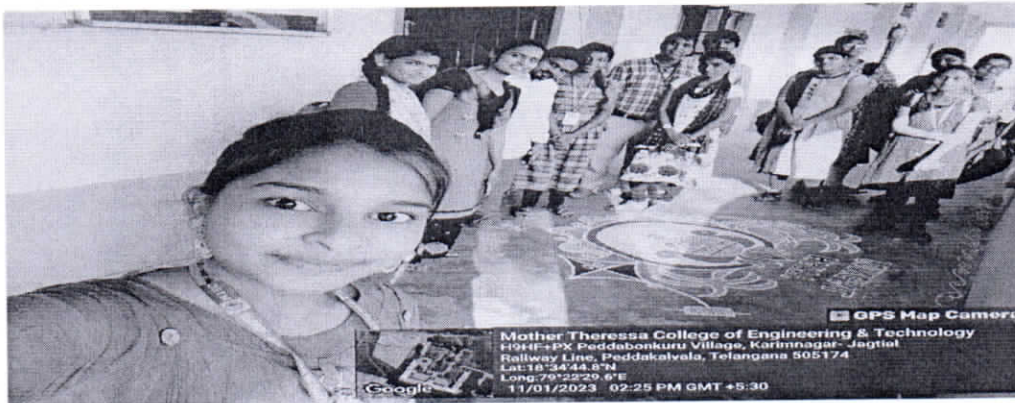

Mother Theresa College of Engineering and Technology (MTCET) has celebrated the Sankranti, also known as Makara Sankranti, is a Hindu festival that marks the transition of the sun into the zodiac sign of Capricorn (Makara). It is typically celebrated on January 14th or 15th every year. Sankranti is a harvest festival and is observed with various traditions and cultural events. Here are some ideas for Sankranti celebrations in a college setting:

#### Rangoli Competition:

Organize a rangoli (colorful floor art) competition with Sankranti-themed designs. This can involve students and even faculty members showcasing their artistic skills.

Create rangolis using grains, flowers, and colored powders.

**Kite Flying Competition:** Arrange a kite-flying competition, as flying kites is a popular tradition during Sankranti. This can add a fun and vibrant element to the celebrations.
